

**InOutsource Named One of the Fastest Growing Companies in Southern New Jersey**  
*Company ranked in the top 25 fastest growing privately held companies*

FOR IMMEDIATE RELEASE

**Thorofare, NJ – June 13, 2008** –InOutsource, a leading provider of records retention and information management consulting to law firms, announced that it is among the 25 fastest growing private company in South Jersey. The ranking was established by the *Philadelphia Business Journal* and the Rohrer College of Business at Rowan University. Nancy Beauchemin, President and Founder of the company, accepted the award at a luncheon on June 12, 2008.

InOutsource experts provide records management consulting and project management services to help law firms and corporate legal departments ensure information is properly retained and protected to mitigate risk, and preserve client confidentiality. The firm provides consultation and support for: analysis of a firm's current systems, processes and staff; the development of retention policies and procedures that are legally compliant and fit the unique needs of a firm; and implementation of conflicts, workflow, docketing, document and records management systems. In addition, through the company's Merger Readiness Consulting Services, the experts at InOutsource help firms establish the framework they need to perform conflicts due diligence and address issues as they arise during the process of merging, acquiring other firms, or hiring lateral attorneys.

"Proper records management and retention is a hot topic within law firms today, and InOutsource is one of the few companies that provide consulting services in this area exclusively to law firms," Beauchemin said. "Subsequently, we've been very, very busy. Our revenue, staff and new clients all have steadily increased this past year. We're pleased to be recognized for our growth."

**About InOutsource**

InOutsource was founded by Nancy Beauchemin in 2002 to provide law firms with strategic records and information consulting and project management services. Through the company's Merger Readiness Consulting Services, the company helps firms establish the framework necessary to perform conflicts due diligence and address issues in a systematic and practical way as they arise during the process of merging, acquiring other firms, or hiring lateral attorneys. Most of InOutsource's clients are among the top 200 law firms in the United States.
