

InOutsource Named One of Philadelphia's Fastest Growing Companies

FOR IMMEDIATE RELEASE

Thorofare, NJ – September 14, 2009 –InOutsource, a leading provider of client intake, records and information management consulting to law firms, announced today that for the third time in the past four years it has been named one of the fastest growing privately held businesses in the Philadelphia area by the PHILADELPHIA 100®. InOutsource was also awarded this distinction in 2006 and 2007.

“Even with today’s tight economy, InOutsource continues to grow,” said Nancy Beauchemin, President of InOutsource. “Law firms and corporate legal departments place considerable value on the services we provide. They recognize it has become a business imperative to implement best practices for managing client information.”

The Philadelphia 100® is a joint project of the Wharton Small Business Development Center, the Entrepreneurs' Forum of Greater Philadelphia, and the *Philadelphia Business Journal*. InOutsource was selected from more than 700 nominated companies. During its 21-year history, the program has been carefully managed to ensure fairness and integrity. As a result, ranking as a Philadelphia 100® company is highly competitive and highly coveted. Philadelphia 100® rankings are based on verified revenue growth.

InOutsource experts provide records management consulting and project management services to help law firms and corporate legal departments ensure information is properly retained and protected to mitigate risk, and preserve client confidentiality. The company provides consultation and support for: analysis of a firm’s current systems, processes and staff; the development of retention policies and procedures that are legally compliant and fit the unique needs of a firm; and implementation of conflicts, workflow, docketing, document and records management systems. In addition, through the company’s Merger Readiness Consulting Services, the experts at InOutsource help firms establish the framework they need to perform conflicts due diligence and address issues as they arise during the process of merging, acquiring other firms, or hiring lateral attorneys.

About InOutsource

InOutsource experts provide client intake and records management consulting services to help law firms and corporate legal departments ensure valuable client information is properly managed and protected to mitigate risk and preserve client confidentiality. The company was founded by Nancy Beauchemin in 2002. InOutsource is the renowned leader in the legal community for their in-depth knowledge of the issues law firms face with managing client information. Through the company’s Merger Readiness Consulting Services, the company helps firms establish the framework necessary to perform conflicts due diligence and address issues in a systematic way as they arise during the process of merging, acquiring other firms,

or hiring lateral attorneys. Most of InOutsource's clients are among the top 200 law firms in the United States.
